A plan including:

- A detailed description of the project and why it is needed
- A materials list and an estimate of costs for the entire project
- Species, including age and condition, to be housed in this particular cage
- An explanation of how this cage will affect your rehabilitation
- Copies of state, and or federal wildlife rehabilitation permits currently held and issued to the applicant or recommendation letter from your sponsor and copies of their permits

Acceptance:

The information contained within this application is true to the best of my knowledge. I understand that misrepresentation or fraudulent information may be grounds for loss of scholarship funds. I understand that, in accepting a scholarship from WWRA, I give permission to announce my receipt of a scholarship to the WWRA board of directors and members. I further give permission to list my name as a scholarship recipient in the WWRA newsletter, the WWRA annual report, and on the WWRA website.

I understand that I am requested to write a paragraph or two summarizing how this scholarship and the new/repared caging has affected my rehabilitation, and that it may be published in part or in its entirety in WWRA materials.

I further understand that I must submit a report to WWRA within 180 days after the scholarship funds are received showing how the money was used in accordance with the plan accompanying this application, and must include pictures of completed cage or repairs together with receipts for materials, labor (if applicable), and all other expenses paid from scholarship funds. If the project is not completed within 180 days after receipt of the funds, I will return all funds to WWRA no later than 180 days.
